Move to Smart Access Control

Fluss

LK429-5

Fluss - Bluetooth Access Control

Open your gate, garage, boom or magnetic lock using your phone. Control who has access to your property without handing out keys or remotes.

Invite friends, family members or housekeepers to access at the times you want and prevent them from accessing when you don't. Fluss is a smartphone app that connects to your gate, garage, parking barrier or front-door, and gives you complete control.

Our secure, POPIA and GDPR compliant cloud-based access logs keep track of when verified users access your property, and allow you to revoke access at any time, right from the app. Administer large numbers of people quickly and easily with our powerful website and see all the reports you need in real time.
Technical Specifications

Fluss

Secure. Smart. Simple.

POPIA and GDPR Compliant:
Cloud based access logs that are POPIA and GDPR compliant.

Latest Encryption Standards:
Trusted encryption standards that protect you from gaining unauthorized access.

Verified Users:
Users are verified using mobile numbers and an OTP to ensure they are who they claim to be.

iOS or Android:
No need to buy or carry multiple remotes – easy access on any modern smartphone.

No Airtime Needed:
Gain access even when you have no airtime or data and works when there is no signal.

Control Almost Anything:
Gates, booms, turnstiles, doors, barriers: almost anything can be controlled by Fluss.

Easy Admin for Many Users:
Add or remove users from anywhere right inside the app, or use the powerful website for controlling large groups of users.

Access Sharing and Reports:
Easily invite visitors for pre-determined dates or only before or after certain times.

Works with Your Existing System:
Intuitive user interface that works in parallel with any existing systems you already have.

WHAT THE FLUSS?

It's a BLE Controller that does so much!

#1. No keys, remotes or cards needed

LK429–5

#2. Open doors, gates, booms & more from your phone

#3. Invite visitors to both commercial & domestic properties
